

HEALING on the streets

Prayer Evenings

Would you join us for 2 evenings of prayer as we prepare for Healing on the Streets?

Preparations for the launch of Healing on the Streets (HotS) continue apace...but we deeply need the prayers of the church

Therefore, we have planned two prayer evenings in order that we can gather and prayer for this exciting ministry. There is so much to pray for, but a taster is given below...come and join us and play a part!

- Pray that the right people will volunteer to come to the weekend to be trained. Praise God we have almost 30 people registered at present and we would love to see that number pass 40.
- Pray that the finances are released to fund HotS in Wrexham. We estimate the initial set up costs are between £1500 - £2000 and then there will on-going costs for the leaflets and letters which will be handed out and for insurance. **+++ Stop Press! +++
+++God has answered this already—we have permission! +++**
- Pray for favour with the council as we approach them to set up HotS in Queen's Square.
- Pray that the arrangements for the Training Weekend all come together smoothly, including prayer for Mark Marx as he prepares to help us launch the first HotS in all of Wales.
- Finally, please pray for the people of our town who will be blessed by God as a result of this ministry. This ministry is designed to be gentle, yet profound – the opportunity for God to give a gift to someone for no other reason that He loves them. Let's pray for them...
