

10<sup>th</sup> October 2011

Dear Pastor / Reverend,

Thank you if you supported us in the Welsh Assembly Elections last May. Although many thousands of Christians did not. We believe that this was because they either did not know we existed or perhaps because they did not know what we stand for. Whether you supported us or not, the Christian Party (Wales) now recognises this failing and would like to take this opportunity to introduce you to the work we are engaged in, and the amazing possibilities God has laid before us.

We have had great success within by-elections over the last two years. Our first faith based Christian Party councillor Jeff Green, elected in June 2009 was a very exciting victory for the whole party. Since then, we have had our 2<sup>nd</sup> and 3<sup>rd</sup> Councillors elected onto the Llandrindod Wells Town council. We look forward with eager anticipation to having many more councillors serving in Community, Town Councils and County Councils across Wales in the future.

Our Conference is being held on the 28<sup>th</sup> and 29<sup>th</sup> October 2011. The Conference will concentrate on empowering and equipping candidates for Community and Council elections which are taking place in May 2012.

We would ask you to please display this Poster in your church so that those who feel called to 'serve' in this way will be advised of the Conference.

Please do not hesitate to get in touch with our office in Llandrindod Wells if you would like more information or you can visit our website at [www.christianpartycymru.co.uk](http://www.christianpartycymru.co.uk). If you would like a membership form, please get in touch with the office and we will send you one.

Thank you.

Yours Sincerely

Sue Green
