

St. Asaph Cathedral Choir Voice Trials

The Cathedral Boys' and Girls' Choirs have appeared on national radio and television and featured in two BBC TV "Songs of Praise" programmes.

They have released a CD of Christmas Carols and sang at the Inauguration of Glyndŵr University.

They perform regularly in the Cathedral and around the St. Asaph diocese and have also had opportunity to give a concert alongside

The King's Singers as part of the North Wales Music Festival.

We have choristers from 10 different schools at present and are now in a position to increase our numbers.

We are looking for alert, keen boys aged between 7 and 9 and enthusiastic girls aged 8 upwards with a good musical ear and who enjoy singing.

To arrange an informal voice trial or for further details contact the Cathedral Organist and Master of the Choristers:
