

Children's Ministry News (ages 3-11)

Dear Friends,

I hope to establish a once a month email which will provide relevant, to the point information.

You have received this either because:

1. You requested information on events and resources or
2. I thought you *might* like to receive it.

If you know of someone who might like to be added to the mailing list, please forward to them or ask them to contact me via email.
See below for a great opportunity in November!

Every Blessing
