

Remember

Even tiny children, before they can 'understand' what is happening in church or follow the service in a book, will absorb the atmosphere, the mystery, the joy, the awe and wonder of worship - but remember - if they cannot see or hear, if they are made to feel unwelcome, their experience of church will not be a positive one... and it will last a life time!

What you are doing with your children is a really important part of their development, so enjoy worshipping together!

Some practical guidance for you and your child

Welcome!

It's great to have you with us today.

We hope you will experience a warm welcome, just relax and try to make yourself at home.

Noise

Please don't worry if your child makes a noise, we don't mind!

If at any point you would like to pop outside for a breath of fresh air, that's fine too. Please come back in when you are ready to do so.

We would encourage you to explain to your child, what is going on during the service, so that you can share the experience with them.

Snack

Please feel free to bring a drink and a snack for your child to eat, we are happy for things like this to go on.

Seats

We would encourage you to sit near the front of the church so your child can enjoy being able to see all that is going on.

Babies

We are happy for you to breast feed your baby too, please feel free to move around the church to find a place where you feel most comfortable to do this.

Toilets

Please see the back of this leaflet for details on toilet facilities and nappy changing.

Children's Area

We have an area for children in church which you can use if you want to, the choice is yours. There are some items provided for you to make use of if you wish.
