

Small change to you could make a BIG difference to your local church

If you give by Gift Aid, your church recovers the tax paid on your donations, which makes a big difference to its overall income.

However, from April 2011 the amount that can be reclaimed has been reduced from 28% to 25%.

This reduction of 3% may seem small on an individual donation, but multiplied across the church makes a big difference overall.

*From 2011, if you give £10 per week,
your church will get 30p less from this*

*Churches across the Diocese of Llandaff
will lose over £ 93,144 each year*

If you are able to increase the amount you give to allow for this, it will mean your church continues to receive the same income as now.

If you are unable to do so at this time please be assured, your gift is still very much appreciated.

*Please think about this and pray for guidance
on what is right for you.*

For further information please speak to your parish treasurer or Gift Aid officer today
