

Peace? Healing?

**God can HEAL you today
Iachâd heddiw...**

If there are physical troubles,
problems in relationships with others,
or if you are feeling out of sorts in yourself,
we'd love to pray for your healing right now
or when you are next here.

Whether it is for you, a family member or friend
we will be ready to pray with anyone.

We believe that God loves you,
bringing healing in body, mind or spirit
and can give us strength in our troubles.

We are Christians from churches in the Vale of
Neath. More info at www.vonp.co.uk or call 722512
